December 2015

Dear Off-Campus Terp,

With finals approaching and the holiday season in full swing, I am writing to share some important crime prevention and safety tips from the Prince George’s County Police Department. I hope this information serves as a reminder of what you can do to reduce your chance of being the victim of a crime and to help you remain safe during the holiday shopping season.

At your home and your UMD home away from home:

- Keep doors and windows locked, regardless of whether they are upper or lower level windows/entrances.
- Before you leave your home, check to be sure that all windows and doors are locked.
- Require identification from all strangers (includes delivery/repair persons and police officers). If you’re not sure of a person’s ID, call the person’s company/agency to verify.
- Never leave notes/messages on your door as they advertise that you are away and when you plan to return.
- Don’t ever tell anyone that you are home alone.
- Use blinds and drapes for privacy.
- Ensure bushes are trimmed back to remove hiding places for potential criminals.
- Ensure your home has good interior and exterior lighting for safety and protection.
- Always have car/house keys in hand before exiting secured areas.
- Keep hands free of excessive packages/bulky items when you’re travelling to/from your home.
- Never enter your home if you see that a door or window has been forced. Quickly get to safety and contact the local police immediately.
- Never place a key over your doorway or under a flower pot, etc. If necessary, consider leaving a spare key with a trusted friend or neighbor.
- Don’t display presents under the tree if they can be seen from a window.

If you will be away for all / part of the winter break:

- Stop mail and newspaper deliveries.
- Place lights on a timer to give the appearance of someone being home.
- Take valuable items such as jewelry, money, laptops, iPods, TVs, etc., with you to avoid potential theft.
- Double-check to be sure all windows and doors are locked and secured before you leave.
- Ask a friend or a trusted neighbor to keep an eye on your residence while you are away.

When Out Shopping:

- Stay alert and be aware of your surroundings.
- Walk in well-lit, populated areas; avoid cut-through paths and short-cuts.
- Try to park in busy, well-lit areas and avoid parking beside large vehicles which can obstruct views.
- Lock your car doors and place all valuables in the trunk or under the seats.
- Avoid carrying large sums of cash. Pay with a check, debit card, or credit cards.
- Keep your purse closed and close to your body and/or carry your wallet in an inside coat or front pants pocket.
